PRISCILLA COLE, PRINCIPAL

February 22, 2021

Greetings Advanced Placement (AP) Parents and Guardians:

It's time to order AP exams for Spring 2021 courses. The current ordering period is for students who are taking spring AP Courses and is open now through Friday, March 5, 2021 at 11:59 PM.

The DeKalb County School District (DCSD) will fund one exam for all DCSD students enrolled in an AP Course during the 2020-2021 school year. The Georgia Department of Education (GaDOE) will fund one additional exam for students who are taking an exam for a STEM course. AP STEM exams include the following courses:

| | | |
|----------------|--------------------------|---------------|
| AP Biology | AP Chemistry | AP Physics 1 |
| AP Calculus AB | AP Computer Science | AP Physics 2 |
| AP Calculus BC | AP Environmental Science | AP Statistics |

AP Exams cost \$98.00 per test, which includes a small processing fee for online registration and payment. Students who qualify for Free/Reduced priced lunch are also eligible for an AP Exam fee reduction; after DCSD covers the first AP Exam and the GaDOE funds a STEM AP Exam, the discounted fee for non-STEM AP Exams is \$53. AP Exam Dates and Fees for 2021 are published at AP Central, <https://apcentral.collegeboard.org/courses/exam-dates-and-fees>. Dunwoody High School's proposed schedule is listed on the next page; this schedule is pending DCSD approval.

We are excited to offer online registration through the Total Registration Platform, which includes payment options for AP Exams (<https://user.totalregistration.net/AP/111152>). Registration is now open and will end at 11:59 pm on Friday, March 5, 2021. All students MUST register through the Total Registration Platform, then confirm their order within the College Board MyAP Classroom account. Most students have already accessed and the College Board AP Registration page in MyAP Classroom however, students must register for AP Exams on the Total Registration Platform.

Please email Larryssa_Harris@dekalbschoolsga.org if you have questions.

Professionally,

Larryssa J. Harris
