SECTION 3: PREVAILING WAGE RATES

3.1 Public Works and Building Services Contracts

The Moving Services to be provided by Contractors are subject to the prevailing wage rate provisions of New York State Labor Law. See "Prevailing Wage Rates - Public Works and Building Services Contracts" in Appendix B, OGS General Specifications. Any federal or State determination of a violation of any public works law or regulation, or labor law or regulation, or any OSHA violation deemed "serious or willful" may be grounds for a determination of vendor non-responsibility, suspension or termination of Contract.

IMPORTANT NOTE: Authorized Users **MUST** obtain a separate PRC # for each purchase from this Contract where prevailing wage rates apply. The requested PRC number **MUST** be noted on all purchase orders issued for purchases from this Contract.

To obtain an original the Department of Labor (DOL) Prevailing Wage Schedule PRC#, use the following link:

<https://apps.labor.ny.gov/wpp/showPublicNewProject.do?method=showIt>

3.2 Worker Notification

Labor Law § 220(3-a)(a)(ii) requires Contractors and subcontractors to provide written notice to all laborers, workers or mechanics of the prevailing wage rate for their particular job classification on each pay stub*. It also requires Contractors and subcontractors to post a notice at the beginning of the performance of every public work Contract on each job Site that includes the telephone number and address for the Department of Labor and a statement informing laborers, workers or mechanics of their right to contact the Department of Labor if he/she is not receiving the proper prevailing rate of wages and/or supplements for his/her particular job classification. The required notification will be provided with each wage schedule, may be downloaded from www.labor.state.ny.us or made available upon request by contacting the Bureau of Public Work at 518-457-5589.

3.3 Living Wage

An Authorized User subject to a local law establishing a "living wage", such as Section 6-109 of the New York City Administrative Code, is required to ensure the Contractor sought to be hired complies with such local law. If the pay rate(s) for a job title(s) as set forth in Pricing Info (By Region) is less than the local law "living wage," then the Authorized User subject to such local law cannot use this Contract for such job title(s). Local laws, however, are not a term and condition of the OGS Contract.

(continued)

SECTION 4: PROJECT DEFINITION

4.1 Mandatory Best and Final Quotes/Project Definition Form

All Authorized Users, whether State Agencies or non-State Agencies, must solicit best and final quotes from awarded Contractors based on the actual move requirements from Contractors within the Region(s) where the move will take place before issuing a Purchase Order.

The use of the Project Definition Form for soliciting best and final quotes is MANDATORY for all purchases made by all Authorized Users through the Contract Award.

4.2 Project Definition Cost Review by Authorized Users

The Contractor awarded the move in response to the individual Authorized User's needs will be held to the best and final quote in response to the Project Definition. If the actual move is accomplished in less time and/or with fewer employees / trucks than are provided for in the best and final quote, the final charges to the Authorized User for all items affected SHALL be adjusted downward to reflect the actual hours and/or employees/trucks. The Authorized User must verify the actual hours, employees and trucks used for each move. However, if the actual move requires more hours or more employees or trucks than provided for in the Contractor's best and final quote, the final charge SHALL NOT be adjusted upward. That is, item hour, item rate, number of employee and truck charges by a Contractor SHALL NOT exceed those the Contractor provided in response to the Authorized User's Project Definition.

In the event of a tied Bid in response to an Authorized User's Project Definition, that Authorized User's award procedures for tied Bids shall be followed.

4.3 Project Definition Pricing Requirements

The Contractor's pricing in response to an Authorized User's Project Definition shall not exceed their "not to exceed" rates published in this Contract Award.

1. Contractor will provide a price that is no more than one (1) hour each way "Portal to Portal" charges from Contractor's office to facility and return.
2. Contractor will develop the exact cost based on the number of hours needed to complete the move. A Contractor may, with the approval of the Authorized User, give an estimated cost. However, Contractor will only be paid for hours actually worked.
3. Compensation will not be made for any delay due to weather conditions or traffic problems. At a minimum the Contractor will pay the prevailing wage rate plus supplemental benefits for the applicable job titles during the term of this Contract. A copy of the currently applicable NYS Department of Labor (DOL) Article 9 prevailing wage rates are available on the DOL website at www.labor.state.ny.us. Currently applicable NYS DOL Article 8 prevailing wage rates are available on the DOL website at www.labor.state.ny.us.
4. The hourly rate paid to the Contractor will be portal-to-portal for each move (i.e., from the Contractor's location to move Site and back to location). However, portal-to-portal charges will be limited to a maximum of one (1) hour each way. No toll charges will be allowed for travel to transport personnel and equipment to and from the facility. Acceptable portal-to-portal charges will be the hourly rate (up to the maximum one (1) hour each way) for the personnel involved including the overtime rate if it is absolutely necessary to perform the move in an efficient manner. Also, if a truck is used to transport personnel and equipment to and from the move Site, the applicable rate may also be charged for portal to portal for a maximum of one (1) hour each way.

(continued)

-
5. Hours worked in excess of eight (8) hours per day or forty (40) hours per week is deemed overtime. Overtime must be paid in accordance with DOL requirements. Contractors must pay employees for work performed under this Contract, a minimum of one and one half (1.5) times the prevailing hourly rate, excluding supplementals, for hours worked in excess of eight (8) hours in any one day or in excess of forty (40) hours in any one week (regardless of where the work was performed).
 6. Overtime will not be billed to the Authorized User for work in excess of eight (8) hours per day or forty (40) hours per week without prior approval for that overtime payment from the Authorized User. The Authorized User may demand certified payroll records to verify payment rates. The amount charged to the Authorized User may not exceed 1.4 times the Contract rate for such overtime charges.
 7. Toll charges will be allowed for the actual move only if a toll road is the most direct route and results in the shortest length of time overall charged to the agency. These charges must be included in response to the individual agency's Project Definition and an original receipt must be submitted with the billing in order to receive payment. Photocopies of toll charges will not be accepted. It is in the Contractor's best interest to plan the route so that the lowest cost of time and/or other charges are incurred.
 8. Charges for overnight lodging of moving employees are not allowed under this Contract.
 9. If in an Inter-Regional Move (Move from one Region to another Region) the Prevailing Wage Rate is different from one Region to another, the following requirements apply:

Contractors must pay at a minimum, the prevailing wage rate and supplemental benefits at the **current** rate plus supplemental benefits at the time of the job for Article 9 and Article 8 workers, for the area where work is performed. The rate for the appropriate region is to begin upon arrival at the Site (example: In a move from Site A to Site B, the Site A regional rate would apply for the travel from Site A to Site B. Upon arrival at Site B the prevailing wage rate for the region in which that Site is located would apply).

Only for inter-regional moves shall a Contractor be allowed to exceed the current Contract price where the Contractor did not receive an award in one of the regions where the move takes place and hourly prevailing wage rate plus supplemental benefits in one of the regions is higher than the region where Contractor has an award. However, the amount that the current Contract price can be exceeded is limited to those moves where the DOL hourly prevailing rate (HPR) plus supplemental benefits is higher in one of the regions where the move occurs. The difference in price shall be limited to increased DOL HPR plus supplemental benefits, if any between the two regions

Only hourly rates affected by the prevailing wage rate can be adjusted according to the formula below. Prices for trucks, storage boxes, etc., cannot be changed from the initial rate stated in the IFB. Contractors must document the difference in hourly wage and benefits which apply.

For more information regarding Intra-Regional and Inter-Regional Moves see Project Definition (Inter-Intra Regional Moves tab).

If due to workload, a Contractor cannot adequately provide the needed manpower to successfully complete the move, they may abstain from bidding by submitting a no-bid in writing to the Authorized User.

(continued)

Any inventory of furniture, equipment and records furnished with proposed moving schedules is approximate. The Contractor will be required to survey furniture, equipment and records to be moved and the location to be moved to prior to submitting any estimates of work or time involved in the move. The time and place for this survey will be arranged with the Authorized User's representative. 6.12 SDVOB: Participation Opportunities For New York State Certified Service-Disabled Veteran Owned Businesses

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"), thereby further integrating such businesses into New York State's economy. OGS recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of OGS Contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders/Contractors are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, OGS conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <https://ogs.ny.gov/Veterans/default.asp>

Bidder/Contractor is encouraged to contact the Division of Service-Disabled Veteran's Business Development at 518-474-2015 to discuss methods of maximizing participation by SDVOBs on the Contract.
