# POLICE CRIME REPORT

## KIDS & GUNS: STOP, DON'T TOUCH, GET AWAY, TELL AN ADULT

Domestic gun sales have surged in recent years.

Even when the household doesn't own firearms, nationally, **it is common for children to find a firearm** unattended outside, come across a gun at others' homes, or even see a gun hidden on school property.

To help prevent a dangerous accident, teach your children that if they see a gun:

1. Stop.
2. Don't touch.
3. Get away.
4. Tell an adult!

Learn about how to talk to your children (and other adults) about gun safety, download educational handouts, and learn how to safely sell a firearm at the National Crime Prevention Council's website: <https://www.ncpc.org/resources/mcgruffgunsafety>
